Subject

9) As seen from the D P H's report, (as noted below) there are two tenders for the IV stage drainage work at Saklespur.

1 M/s Sambulingappa who has quoted 60% higher than the original estimate resulting in an excess of Rs 5,646

2 M Brahmasmappa quoting 74% higher than the original estimate which results in an excess of Rs 6,174

10) The D P H requests orders on the acceptance of one of the above two tenders for the work in question. The Chief Engineer for Irrigation who was consulted in the matter recommends that the tender of M Brahmasmappa quoting 74% higher than the original estimate lower as against the tender of M Sambulingappa quoting 60% may be accepted for reasons stated by him at para 6 supra

11) The Saklespur Town Municipal Council have also agreed to meet half

the excess cost in this respect at 60% higher than the same thing estimate

12) If the tender of M/s Sambhugappa is accepted, the govt share of the excess cost amounts to Rs 2823/- and in case, the tender of M/s Brahmasuppa is accepted, govt have to pay a sum of Rs 3,087/- in this respect

13) In the above circumstances, govt is to decide whether the tender of M/s Bhamasuppa, as recommended by the chief Engineer for irrigation although 6% higher may be accepted subject to orders

Submitted for orders

5/2

17.2.45

The D.C, Hassan vide his letter dated 17.2.45 has agreed to meet the excess cost consequent on the rates tendered by the Contractor M/s Bhambhugappa at 60% higher than the original rate. Thus Rs 2823/- is the recommendation of the Chief Engineer for irrigation is accepted, i e giving the Contract at 7 4 % higher than the original rate, the extra amount which is to be met under Head "Irrigation works" Rs 6/7 4 or 3087/- vide B 264, minutes Dept.

Continuation Sheet | File No / Current No | of | Page

whatever maybe the errors which may Sambuchino suppose quoted up 600 as against 7400 quoted by Buchmanuscripts, the point for consideration is why the local boss (Sakalaspur Tumbuck or the Jetty) should spend more on this item, ~~Effect~~ while it can be done for a less amount If this need is accepted, the proposal of D. P-W might appd. Further could accept, as the Sakalaspur Tumbuck has agreed to it

Further

Law dept. to see if any

I do not see why the tenders of the Sambuchinagappa who is a local man & has done portion of the work should not be accepted No tender 600 under Rs 1 lakh can be accepted on the basis unless reasons Rs 1 lakh can be accepted on the basis unless reasons than he will not be allowed any enhancement

Copy of the letter No 475 dated 4-11-1944 of the Sanitary Engineer, Bangalore

---

Re IV stage drainage work at Sakleshpur

With reference to your letter No C 150-39/4 dated 31st August 1944 requesting me to call for quotations for the IV stage drainage work at Sakleshpur, I have the honour to state that in response to the notification calling for quotations by the Assistant Engineer, Hassan, fixing the last date of receipt as 4th October 1944, three quotations were received as noted below -

1 Messrs [illegible] Naidu & Co, contractors at Sakleshpur who have quoted 125% more than the estimate rates gave their quotation to the Assistant Engineer in person on 4-10-1944

2 Mr Brahmasurappa who has quoted 74% more sent his quotation on 4-10-1944 from Bangalore, which was received by registered post on 6-10-1944 by the Assistant Engineer, Hassan

3 Mr K Gambulirappa, who has quoted 70% more has sent his quotation by wire to this office on 6-10-1944, and this was received in this office by 10 P M that night

Quotations from No 1 and 2 were opened by the Assistant Engineer on 6-10-1944 The quotation of No 3, not having been presented to the Assistant Engineer, Hassan, as per Notification and as the other quotations stood opened in the Assistant Engineer's Office on 6-10-1944 it is not improbable that at the time of wiring, the contractor Mr K Gambulirappa may have the knowledge of the quotations given by others The quotation is also time-barred & I, therefore, consider that this quotation as invalid and recommend the quotation of Mr B Brahmasurappa at 74% higher than estimate rates for acceptance As the acceptance of this quotation would involve 74% more or the sanctioned estimate of Rs 4,063/- and it may take time to get the extra amount both from Government and the Municipality, it is suggested that the work to the extent of funds available will be got done at the tendered rates

Early orders are solicited about the acceptance of the quotation to commence the work early

---

Reg for A C

Letter dated 1st November 1944 (Bangalore City) from Mr K G Gambulirappa

---

Sub Tender for the IV stage Drainage work at Sakleshpur

I beg to submit the following for your kind consideration and orders -

I beg to state that for the above work an estimate for Rs 4,063/- had been sanctioned and tenders had been called for I was the only tenderer quoting 100 percent over the estimate rate The tender was not accepted and it would appear that under your orders that local quotations have been called for the above work I was not aware of this fact, when casually I had been to Hassan on 6th October 1944 I came to understand that quotations had been called for the above work by Assistant Engineer, Hassan, fixing the last date of receipt as 4th October 1944 Since the time of giving the quotation to him had passed I wired to the Sanitary Engineer stating that I would undertake to do the work at 70% more than the estimate rate I saw the Sanitary Engineer ~~[illegible]~~ on 31st October 1944 and requested him to recommend my case to you for your kind acceptance But the Sanitary Engineer told me that my case cannot be considered since it is time barred As I have already stated that non submission of my quotation was due to the fact

the fact that I was not aware of it since I had ordered the and 3rd st. work of the same place, that is Gamesbur, In more I, being a local man, I am anxious to take up the work as I have command of labour and materials required for this other work also of my experience in this kind of work and besides I have got both and materials on hand and the present market conditions being favo I am able to do the above work at sixty percent more than the estim my case, therefore may kindly be considered favourably

I am also submitting a copy of this petition to the Sanitary Engineer for his kind recommendation

To 4937
The Legal Remembrancer &
Law Secretary to Government of Mysore,
B A N G A L O R E

Sir,

Sub: IV Stage drainage of Saklespur

I have the honour to state that the Director of Public Health in Mysore, Bangalore has intimated, that the lowest tender received for the construction of IV Stage drainage at Saklespur is 60% over the estimate of Rs 4063/- that the excess cost involved has to be met equally by Government and the Municipal Council The Municipal Council of Saklespur has resolved at its meeting held on 31-12-44 agreeing to pay its share of the excess cost the remaining half of the cost beng borne by Government The Municipal quota is proposed to be paid out of the closing balance of the current year

I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to pay ½ the excess cost out of the closing balance with a Government grant of an equal amount The anticipated Credit Balance of the Municipality as per sanctioned budget is Rs 15081/-

A copy of the resolution of the Co ncil is enclosed

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.

Re - IV Stage drainage of Sakalespur town

Adverting to your Memo No M L C 1441/44-45 dated 19th December 1944 on the above subject, I have the honour to state that the matter was placed before the council at their meeting held on 31 st December 1944 wherein the council have resolved agreeing to bear half the excess being the municipal quota and to meet this out of the closing balance and have further resolved that Government be requested to meet the other half as Government grant

I therefore request that recommendation be kindly made to Government to accord sanction to the proposals of the council to meet half the cost in excess over the estimate of IV stage from the closing balance and to sanction the other half as grant from Government

A copy of the resolution of the Council is enclosed herewith for favour of kind perusal
